

## BECOME A BLACK SEA COMMUNITY

Here are the steps to become a Member Community of the Black Sea Sustainable Rural Tourism Program

Only communities can be members, but community organisations are expected to have accommodations, businesses and the general public as members.

Accommodations that are approved can have booking pages on the BSST Travel website.

The steps to becoming a Community Member of the Black Sea Sustainable Rural Tourism Program are easy. Download the BSST Criteria first and decide whether you want to commit to the Program criteria. If you do, then complete the Questionnaire within 30 days and submit it for approval.
